

Remote Deposit Anywhere tutorial

Log in to Digital Banking.

1. Click **“Menu”**.
2. Click **“Deposit Check”**.
3. Click the **“TO ACCOUNT”** field and select an account.
4. Click the **“AMOUNT”** field and enter amount shown on check.
5. Click **“Save”**.
6. Click **“Capture Image”**.

Be sure to endorse the back of the check with your signature. Using your phone camera, line the front of the check up inside the borders shown on the screen.

7. Click the camera icon. Then do the same for the back of the check as prompted.

Pro Tip:

If either image looks blurry or hard to read, select **“Retake Front”** or **“Retake Back”** to capture a better image.

8. Click **“Submit Deposit”**.

Up to **\$225 will be available same day** upon remote deposit submission.

If you deposited after 8 p.m. in your local timezone, funds will be available the following day.

Please allow 2 to 7 days for full amount to be deposited.
