VARIABLE RATE*

Name of Index:	Prime Rate
Date the Index is Determined:	First day of each calendar quarter (January, April, July, and October)
Effective Date of Index:	On statement cycle date
Current Index Value:	%

Margins (Amount of percentage points by which Index will be increased to determine the Interest Rate):

Purchases:	percentage points
Cash Advances:	percentage points
Balance Transfers:	percentage points
Ceiling:	Will never be more than %.

Your Interest Rate is variable and may change automatically from time to time according to the variable rate terms set forth in this Addendum. The Interest Rate is subject to change on the first day of the billing cycle quarterly to reflect any change in the Index and will be determined by the Prime Rate on the first business day of each calendar quarter (January, April, July, and October) of each year as published in *The Wall Street Journal* "Money Rates" table to which we add a margin. Any increase in the Interest Rate will take the form of additional payments shown as Total Minimum Payments on the statement. If the Index is no longer available, the Credit Union will choose a new index which is based upon comparable information.
