Our website may use cookies (small pieces of information sent by our web server to a visitor's web browser that reminds our site about the user the next time he or she visits). We do not store confidential or sensitive information in cookies. We use cookies only to enhance a member's online banking session and ease navigation through our website.

For certain applications, such as online banking, cookies are required to help protect the privacy of a member's transactions by, for example, automatically terminating the online session if the member forgets to log out. Cookies cannot be used to capture a user's email address, obtain data from the user's hard drive or gain confidential or sensitive information about the user. Additionally, cookies cannot be read by a website other than the one that set the cookie. Some websites, however, use cookies to obtain information from the user's browser. The user has the option to set his or her browser to notify before accepting a cookie to control whether a cookie is accepted or rejected.

It's important to note that the information we use about you helps us provide you with products, services and experiences that benefit you. You have the ability to control how your non-personal information is collected and used online.
